South African Heart Association and Lipid and Atherosclerosis Society of Southern Africa

- 1 **PULSE — NEWS FROM THE MARKETPLACE**
- 1 **PROFESSIONAL ADVERTISING — FOREIGN OPPORTUNITIES**
- 3 **PROFESSIONAL ADVERTISING — LOCAL OPPORTUNITIES**
- 5 **CPD QUESTIONS**

At the mouth of the Kosi Estuary in northern Maputaland, the race of water in and out of the mouth interacts with the rise and fall of the tide on the adjacent beach to form ever-changing patterns of ripples upon ripples running in opposite directions and mirrored by the rivulets or water between these 'mini-dunes'. In the background lie dunes just across the border, in Mozambique.
