*M T Mpe, E Q Klug, K S Sliwa, J Hitzeroth, D A Smith, on behalf of the Heart Failure Society of South Africa*

### PART 3

- 668-695 **Guideline for the diagnosis and management of multiple sclerosis: A Southern African perspective**  
*D L Giampaolo, A Bhigjee, C Retief, M Isaacs, M Britz, D Opperman, R Govender, M van Rensburg*
- Guideline for the diagnosis and management of multiple sclerosis in children**  
*R Govender*

Winter in the Western Cape brings a flush of rainwater runoff that is often stained deep red-brown because of tannins released from the fynbos vegetation. Resembling the backbone of a dinosaur, this intermittent stream races across a sandy beach at Cape Point. In the background, the magnitude of the erosion of the sandy beach as a result of winter storms is evident: the beach has been carved away, exposing boulders and leaving a 2 metre miniature cliff.
